Deputy Commissioner's Office

Dated Chitaldroog 6th September 1893.

To

The Munzavi Secretary to the
Government of Mysore
Bangalore.

Sir,

In forwarding for sanction an estimate for Rs: 800/-, being the probable cost of repairing the Temple of Huchengiamma in the Town of Chitaldroog, I have the honour to state that the temple stands in a most prominent position in the centre of the town and as you will have observed during your recent tour of inspection, possesses no ordinary pretensions to architectural excellence. It is a splendid building and deserves to be preserved in a state of repair.

2. I do not mean to deal with every portion of this large structure. In some places the stone Mantaps have almost collapsed. Their restoration is likely to be very costly.

Nor does there exist any real necessity for restoring them. It seems sufficient if access to them is barred by a wall. The front portion with upstairs requires to be taken up and thoroughly put in order. Likewise the interior of the building requires certain slight repairs. The surroundings should also be improved. These and certain other urgent repairs are all that I have provided for in the enclosed Estimate, which has been prepared as carefully as possible. As you have seen the building yourself, I refrain from entering into further details in order to show the necessity that exists for carrying out the work included in the Estimate.

3. The Sketch which accompanies the Estimate will give you an idea of the manner in which the front of the temple is proposed to be repaired and improved.

H.

The institution is a poor one receiving from Government a nominal monthly allowance of £4-9-8 Rs. Ans. Ps. There is no money to its credit in the Treasury. I beg therefore to recommend that as a special case, the entire cost be borne by Government. In my humble opinion, any money expended on this building would be money usefully and well spent.

I have the honour to be

Your most obedient servant

—

I have the honour to submit
for favor of sanction
a revised estimate for
Rs: 1018/. being the cost
of repairing the temple
of Kutchengemmah in
the Town of Chitaldroog.
In Proceedings of Govern-
-ment No. 235-6 dated
Mun: 7.17-93
11th September 1893 an
estimate for Rs: 800/. was
sanctioned for this
work. In course of
execution however,
certain deviations from
the original estimate
became absolutely
necessary and had
to be carried out. On
taking final measurements
the total cost has been
ascertained to amount to Rs: 1018/.

or

or Rs: 218/. in excess of the sanctioned Estimate. The work has been carefully and satisfactorily done and has considerably improved the stability and appearance of the building. In these circumstances, sanction is solicited to the excess cost of Rs: 218/. which is the amount still due to the Contractor by whom the work was executed. This cost thus unavoidably incurred, is proposed to be met from the surplus of Rs: 2781-5-8 remaining at the credit of the Muzaree institutions of this District at the end of February 1895 as will be seen from the Treasury Officer's Certificate hereunto attached. The Original Estimate is herewith returned for reference. A completion report will be submitted after full payment shall have been made to the Contractor.
